

TDIC Medical Covers

TDIC is pioneering the development and manufacturing of covering systems for new and innovative medical equipment across the country. From coverings that protect medical robots while performing surgeries to simple equipment storage covers, we take great care to ensure that **our products are safe for your patients, user-friendly for your staff, and economical for your budget.**

TDIC currently supplies protective equipment covers for Intuitive Surgical's da Vinci Surgical System. Our covers are made to the specific measurements of the surgical equipment to ensure a proper fit. We offer a full set of covers for each of the surgical systems:

- da Vinci Surgical System
- da Vinci S Surgical System
- da Vinci Si Surgical System

TDIC offers storage covers for da Vinci Surgical Systems in either a white Polylam™ (laminated polyester) or clear vinyl fabric.

- Polylam™ fabric is washable
- Vinyl fabric is wipeable

Intuitive Surgical – da Vinci Surgical Systems
